### QUESTION 1 *Will you vote in favour of infrastructure investments that separate bicycles from motor vehicles and pedestrians along key transportation corridors and certain busy commercial streets?*

<b>Robin Smith</b> <small>MAYOR</small>	<b>Yes</b>	As a cyclist I love my own lane. But in some of my riding I have noticed the lanes are bigger than needed. Where there is no sidewalk these lanes could be shared by cyclist and pedestrians. The only problem is the fact that some people don't care about using the right side.

<b>Shakeel Gaya</b> <small>COUNCIL</small>	<b>Yes</b>	
<b>Nancy McCurrach</b> <small>COUNCIL</small>	<b>Yes</b>	Absolutely - by doing so cycling will be safer.
<b>Darrell Penner</b> <small>COUNCIL</small>	<b>Yes</b>	Yes.
<b>Carolyn Stewart</b> <small>COUNCIL</small>	<b>Yes</b>	Where practical, a separation helps cyclists feel safer as well as drivers.
<b>Justin Traviss</b> <small>COUNCIL</small>	<b>Yes</b>	I am certainly in favor of such infrastructure. You cannot put bikes, pedestrians, and vehicles on the same pathways while allowing all forms of transportation to flow and be safe.
<b>Jami Watson</b> <small>COUNCIL</small>	<b>Yes</b>
