Mayor and Council

| Party/Affiliation | Candidate | What is your usual way of getting around the City? | To move toward more sustainable and active transportation, difficult and sometimes unpopular decisions will have to be made—including decreasing street parking and reallocating road space when necessary. Will you be a champion for active transportation on council? | Will you vote in favour of infrastructure projects that separate bicycles from cars and pedestrians in areas of high cycling potential? | Do you support Car Free Zones around schools? | Would you support a reduction in parking minimums for new construction? | Do you support the current Master Transportation Plan? |
