

Surrey Survey Results

Party/Affiliation	Candidate	Do you support funding a partnership with major destinations such as malls and schools to build secure cycling parking spaces such as on demand bike lockers?	Do you support changing the default design of collector and arterial roads to include protected cycling facilities?	Do you support removing vehicle capacity (lane removal aka road diet) to provide space for cycling?	Do you support a bike share or e-bike share program in Surrey?	Do you support road changes to slow traffic on collector roads such as adding raised crosswalks, speed tables, chicanes, roundabouts, narrowing etc. to support Vision Zero?	Do you support opening access on Surrey's network of dykes to provide more opportunities for recreational cycling?
