Your Cycling Connection

Meet: 10am

Commercial Drive & Grandview Hwy, SE corner

Bicycle Infrastructure

1) Bike Corral 6th & Commercial

Vancouver's first on-street bicycle corral, added on a trial basis, August 2010.

2) Great Northern Way: bike route

Separated bike route with green paving at intersections.

3) Seawall False Creek

A continuous, popular path around the water for both cyclists and pedestrians.

4) Cambie St Bridge

Bridge has separated sidewalk on east side for cyclists & pedestrians- and great views!

5) Dunsmuir St. Bike Lane & Viaduct

Installed in 2010 as trials, the City recently voted to make the downtown separated lanes permanent. (June 13 2012).

6) Carroll Street

Vancouver's first separated bike lane, in historic Gastown neighbourhood.

7) Adanac Bikeway

The City's first and most-used bike route, it connects downtown to Burnaby, and is shared with cars. 900 cyclists per day.

8) Velo-Talk Advocacy Workshop

Britannia Centre
Canucks Family Room
12:30 Registration
Mon. June 25 2012
