

West Vancouver Survey Results

Candidate	Do you think that your city's elected officials are doing enough to address transportation needs of future generations in light of the climate crisis & increases in transportation costs?	Will you work to ensure that everyone in your city has equitable access to safe cycling infrastructure?	Will you vote in favour of infrastructure projects that separate bicycles from cars and pedestrians in areas of high cycling potential?	The budget for bike infrastructure should...	To move toward more sustainable and active transportation, difficult and sometimes unpopular decisions will have to be made—including reducing private vehicle parking space allocation and reallocating road space. Will you be a champion for active transportation on council?
