

Newcomer Bike Host Program

Become a Bike Host Volunteer this summer!

Get involved in Vancouver's first ever Newcomer Bike Host Program!

HUB Cycling has partnered with the **Immigrant Services Society of BC** to further our work in bringing the joys of cycling to newcomers to Canada.

The program will match enthusiastic volunteers who live or work in the City of Vancouver with newcomers to introduce them to Vancouver's cycling network and vibrant culture. Matches will meet weekly and take part in cycling-related activities together around the city this summer.

YOU ARE

- Passionate about cycling and familiar with Vancouver's cycling network
- Enthusiastic about sharing their community with newcomers
- Eager to meet new people from different backgrounds and cultures
- Available on a weekly basis between July 1st - September 30th 2017.
- Able to pass a Criminal Records Check for the Vulnerable Sector
